Dear Scouts, Leaders, Parents, and Friends:

I am excited to welcome all of you to the annual Pack 431 Fall Family Camp at R Bar C Scout Ranch near Payson, Arizona. Over the years, this has become our best attended event as we continue to offer the Scouts and families a weekend of **FUN** activities. As you can imagine, this is a monumental undertaking by a team of Scout volunteers who are arguably the best in the state. This includes the Boy Scouts and leaders of BSA Troop 439 who will once again join us in putting on the fun-filled event. I cannot express enough my gratitude to these outstanding Scouts, women, and men who help to "Make the Pack GO".

While last year we held Fall Family Camp at Camp Raymond outside of Williams, Arizona, this year we are happy to be back on the schedule at the Ranch! In the past few years our annual Fall Family Camp has grown exponentially in attendance. Consequently, we lease R Bar C Scout Ranch for our use over the weekend. The reputation of our event transcends all expectations.

This year we anticipate that we will have over 100 registrants for Fall Family Camp. Registrants include the Scouts, leaders, parents, and family of Pack 431 and Boy Scout Troop 439. Due to the size of the event, I am asking all leaders and parents to assist whenever and wherever they can help out. Scouting is based on volunteering and what a great way for you all to kick off the new year than by helping put on a safe, fun and exciting event.

Please take time to familiarize yourself with the camp rules, maps, and schedules. As in previous years, you will only be allowed to park in the designated parking area for fire safety and emergency evacuation purposes. I request the utmost cooperation to ensure continuity and safety for all by unloading your vehicles and immediately moving them to the parking lot.

I appreciate all that you do to support Scouting and I look forward to seeing you all at Camp R Bar C!

Yours In Scouting!!

Dean Wilhelm
